Heartline!

We have hosted successful philanthropy events, participated in many community activities, and continued the tradition of our Balanced Man Scholarship. Over the past year our brothers have continued to excel in the classroom, on the stage, in the community, and on varsity athletic teams. We believe that the driving force behind our success is due to our cardinal principles of Virtue, Diligence, and Brotherly love. While putting these principles into action, our brothers have been able to improve in various aspects of our lives. I am excited to share our past year's accomplishments with you.

Fraternally,
Justin Dages
2015 VP of Communications

SigEp Balanced Man Scholarship 2014

For the past eight years our chapter has held the tradition of awarding scholarships to balanced men on campus. This year we were able to award \$1,000 to five winners. Along with awarding balanced men of the campus community for their hard work and accomplishments, the scholarship serves as a wonderful recruiting tool for our chapter. This year's winners were Colin Pietron, Trevor Ray, Kevin Alkins, Drew Singleton, and Brandon Bailey

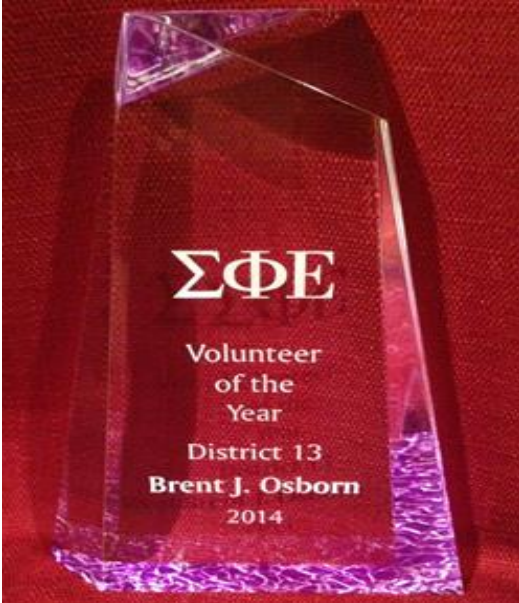

PHILANTHROPY AND INTRAMURAL SPORTS

Over the past year our brothers participated in various intramural sports and philanthropy events.

SigEp won championships in intramural flag football and dodgeball.

SigEp also brought home the title for Delta Zeta Dodgeball, the Kats and Bats Whiffle Ball tournament, and Dolt's Beach Bash Sand Volleyball tournament, helping raise money for Starkey Hearing, Court Appointed Special Advocates, The Theta Foundation, and more causes along the way.

CHAPTER ACCOMPLISHMENTS

This year our chapter was honored with various awards at the annual Ohio Wesleyan Greek Awards Ceremony. Among them were the Chapter Excellence Award, Chapter Philanthropy Award, and the Chapter Program of the Year Award for Bill Boaz's Magic show last spring. Brent Osborn, our Chapter Advisor and AVC President, received the 2014 Sig Ep Volunteer of the Year Award for District 13.

2015 Executive Committee Update

Our new executive committee is excited to help our chapter grow as much as possible over the next year. We firmly believe that with the groundwork laid by last year's crew we can continue to carry on the Sig Ep tradition and solidify our chapter's reputation as one of the top organizations on campus. We are all 100% committed to making this chapter the best it can possibly be, so feel free to contact us with any ideas or advice for our chapter!

New Members

Our chapter handed out 14 bids this winter and signed all 14 recipients as new members -- a true testament to the hard work of last year's VP of Recruitment Ryan Ossenbeck and the rest of the chapter for their help. Our new member class features athletes from the football team, tennis team, golf team, baseball team, and other balanced men from around campus.

Honoring a Brother

Jacob Von Der Vellen was a very involved student when he passed away in 2012. At the time, he was president of our chapter as well as co-president of Relay for Life. Along with these activities, Jake also held a job in the Student

Involvement Office while balancing his double major in Spanish and Zoology. Jake was a very passionate person. He always worked hard at everything he did. He was willing to help anybody at any time. Not to mention, he was also very supportive of his brothers. Regardless of what they were involved in, he would show up to support them, whether it was a sporting event, a play, or anything. Jake was an avid Cleveland sports fan as he was from Medina, Ohio, and he was always willing to talk sports with anybody. It was seen how many people's lives he touched in such a short time on this campus as the attendance at his candle light vigil was overwhelming. No matter how things were going, Jake always had a positive outlook on everything. It was contagious and in that way he made everybody around him a better person.
